Program Description

NEXT 2024 is UK Next Gen's statewide summer conference event. This will be our 4th year of bringing national speakers to KY to share about various elements of the deeper learning movement across the US. This year's headliners will be Brian Stack and Jon Vander Els, authors of Unpacking the Competency-based Classroom and Breaking with Tradition.

Objectives of Program

With the KY Portrait of a Learner as a backdrop, come and explore a variety of perspectives and examples from educators who have shifted to competency-based education in their classrooms with great results.
