

Forces and Interactions

Name of the Facilitator: Kim Zeidler-Watters

Qualifications: Executive Director

Provider Name: PIMSER

Contact Name: Peggy Hill

Email: peggy.hill@pimser.org

Phone of the Submitter: (734) 358-4148

Program Name: Forces and Interactions

Credit Hours: 12

Program Description

Join Dr. Kim Zeidler-Watters and Patti Works for an engaging two-day session tailored for third-grade science teachers, focusing on preparing them to lead the newly released OpenSciEd Unit 3.1: Forces & Interactions in their classroom. The day will provide knowledge of how the unit aligns to support KAS and the thinking required on KSA.

Objectives of Program

The session purpose is to prepare 3rd-grade teachers to lead this unit with their students to do this, the school or district needs to purchase the 3.1 Forces and Interaction kit. PIMSER recommends ECA as the Vendor to purchase the kit because of the quality of the materials in the kit. Kendall Hunt is the source for ordering the printed copy of the Teacher's Guide.
