Program Name: Kagan Cooperative Learning Day 1 and 2b

Credit Hours: 12

### Program Description

Create full student engagement with Kagan Structures—simple yet powerful cooperative learning instructional strategies. Supported by a large body of scientific research, and proven effective in countless classrooms, schools, and districts, this revolutionary way to teach is transforming teaching and learning. Come experience the power of Kagan Structures. See how easy it is use teamwork and pairs to create a greater level of engagement than you imagined possible, even for your reluctant learner

### Objectives of Program

Learn to keep students on task and effectively manage disruptions with engaging structures Master the different types of pairs and teams, how to form them, and when to use them Provide students the will to work together and the skills to do so successfully
