### **Program Description**

ECET2 stands for Elevating and Celebrating Effective Teaching and Teachers. It was born out of a desire to provide a forum for exceptional teachers to learn from one another and to celebrate the teaching profession. Kentucky leads the nation with collaboration across districts and regions to host FREE professional learning events planned by teachers, for teachers. ECET2 seeks to realize a teacher's potential by ensuring each convening aligns with its six key beliefs: 1. Nurturing trust among teachers 2. Focusing on each teacher's potential for growth 3. Inspiring both the intellect and the passion that drives teachers in their work 4. Providing time for collaboration and learning 5. Putting teachers in the lead 6. Recognizing teachers as talented professionals. ECET2 attendees receive professional texts, swag, and have their food and drinks paid for. Anyone traveling more than 30 miles can also receive free lodging.

### **Objectives of Program**

GROW: ECET2KY convenings enable meaningful professional growth and learning among participating teachers. COLLABORATE: ECET2KY convenings enable participants to collaborate with peers in their schools, districts, and beyond. LEAD: ECET2KY convenings empower teachers to take action in their classrooms, schools, districts, and communities in meaningful ways.
