Program Description

What if you could reach every struggling reader at your school with exactly the skills they need at just the right time? What if these students started to improve quickly, were self-motivated, and worked more independently? Join us as we show you how our evidence-based Fast ForWord program will bring comprehensive and targeted support to your students this year, and provide you with one option to meet the needs of multiple student groups.

Objectives of Program

To learn more about a targeted and comprehensive support option for increasing outcomes for struggling student groups.
